

Canadian P&C Insurance: A great many players. In perfect harmony with millions of Canadians.

A great many insurers underwrite the security and peace of mind of literally millions of Canadians. And they do so with great professionalism, with unimpeachable integrity, and truly Canadian compassion.

These are the values shared with each other and with the 36,000 brokers represented by the Insurance Brokers Association of Canada, and it is this mutual respect and support that creates such harmony in our industry. For this, we thank you.
